THE EAGLE

P.D.B.

Sam McClure
Head Coach
Richardson
High School

We the annual staff proudly dedicate this 1956 EAGLE to Coach Sam McClure who in his ten years at Richardson has taken our football team to district seven times and to bi-district twice. He has been chosen Class A Coach of the year for the last two years.

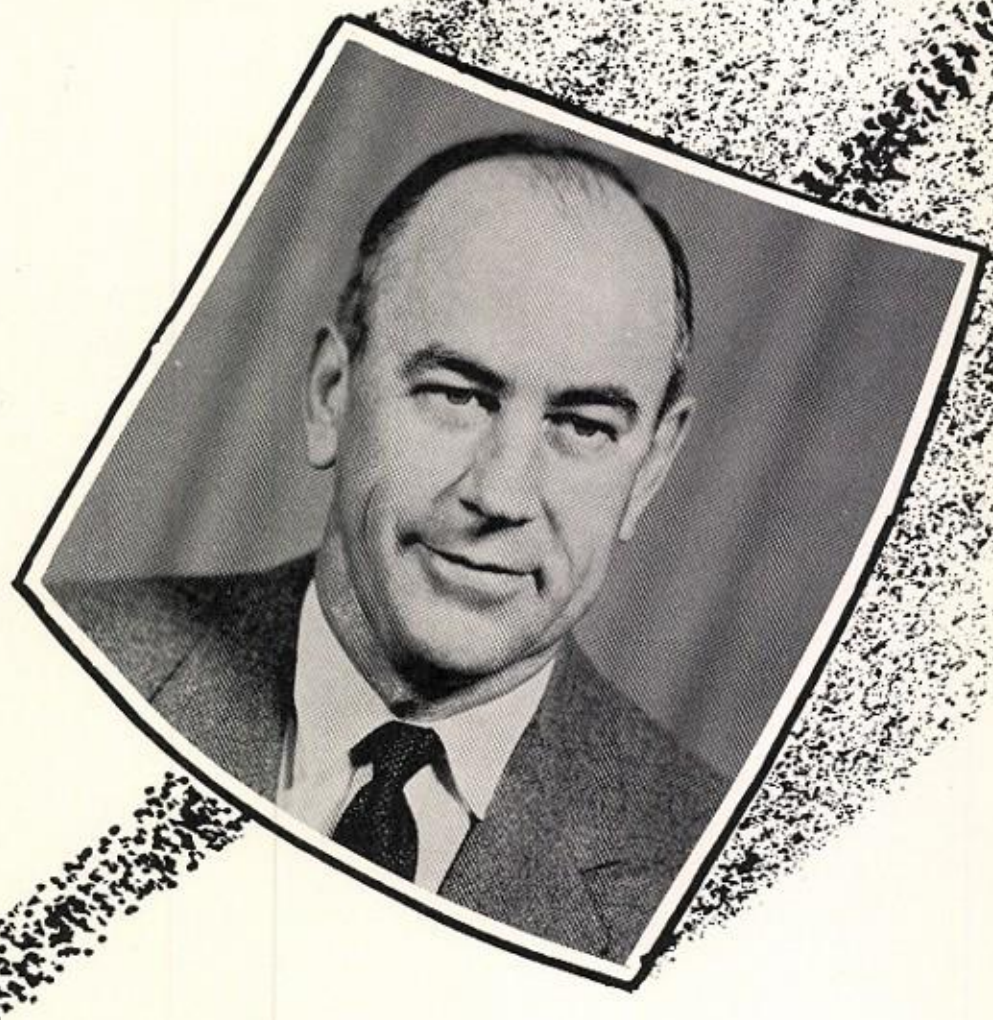
We are all very proud of this wonderful record and are grateful for the inspiration that he has been to all of us.

We dedicate this annual to Coach, who is our favorite.

What is it that makes a school tick? Is it the faculty who expend their time and energy for the betterment of youth? Is it the sports that build not only bodies but character as well? Is it the organizations, both adult and student, that do so many worthwhile things for our school? Is it the students who are the basis for all of these things? No, it is not any one of these things separately. It is a combination of all of these that give us the theme for our 1956 EAGLE - - the theme of SCHOOL SPIRIT.

The Editors

J. J. PEARCE
Superintendent



Congratulations, Seniors, on your achievements to date. You have laid the foundations on which to build your future, and your success will depend on your willingness to work to achieve the goals which you have set.

Good Luck.
